SUMMARY

Full-Stack Developer proficient in HTML, CSS, JavaScript, React.js, React Native, and MongoDB, with a solid foundation from an intensive Full-Stack Bootcamp. My background in business and video/music production has allowed me to blend creativity with technology, ultimately leading me to my true calling in coding. Holding a Bachelor of Science in Physics and an MBA, I bring both technical and business insights to my work. Fluent in Spanish, English, and Turkish. Eager to contribute to the evolving landscape of technology, I am excited to refine my skills and make a lasting impact with the right company.
